BUREAU OF WATER PROTECTION AND LAND
OFFICE OF THE BUREAU CHIEF

JAN 27 2010

Dear Mr. Stacey,

I am a concerned citizen and long time resident of Connecticut who supports healthy rivers, and wants regulations passed soon which protect our rivers from going dry. I also believe the Class 4 designation must be eliminated. All rivers should be restored to some usable healthy level so they do not become cesspools which can breed disease and contamination.

Sincerely,

A handwritten signature in black ink, reading "Remo A. Mondazzi". The signature is written in a cursive style with a large, looped "M" and a trailing flourish.

Remo A. Mondazzi
